PERSONAL

DATA ANALYST

Data Analyst with a certification from UNC Charlotte's data analytics boot camp. Background includes a degree in theatre arts, which provides a unique, creative skill set for both approaching a problem, as well as finding the corresponding solution. From working in a team-based role to working solo, the drive to grow within the field is what makes every day that much more gratifying.

WORK EXPERIENCE

LEAD MANUFACTURING OPERATOR

MIRRORMATE FRAMES, LLC / 2015 - 2021

CONTRIBUTIONS: Oversee the production of frame manufacturing in a warehouse setting with a focus on quality control and minimizing errors in measurement, style, and defects. Troubleshooting and diagnosing equipment issues such as blade replacements, switching out parts, and calibration of the cutting and routing system.

SALES ASSOCIATE

KOHL'S DEPARTMENT STORE / 2008 - 2016

CONTRIBUTIONS: Managed all credit card and cash transactions via a point of sale system and audited registers to assure compliance with policy and pricing guidelines. Solved assorted grievances and concerns of customers in a timely and courteous manner, enhancing the customer experience.

OVERNIGHT FREIGHT ASSOCIATE

KOHL'S DEPARTMENT STORE / 2005 - 2008

CONTRIBUTIONS: Trained associates to properly distribute freight, display set up and sign setting. Assured that Sign Advertisements matched the advertisement schedule. Processed and set merchandise according to schedule as well as proper display standards.
